Glide

Get connected

Quick start guide

Step 1: Connect to Glide Wi-Fi

- Scan for available Wi-Fi networks and **select Glide**.
- Open a **browser** and you will be re-directed to the Glide welcome screen.
- Click **Get Started**.

Step 2: Choose your service

- If you only have an inclusive product at your property, go to Step 3 below.
- If you have upgrade options available at your property, click the basket icon next to the product price to add it to your basket.
- Click **Proceed to Checkout**, where you can review your purchase before selecting **Continue**.

Step 3: Create account and add Home Network

- To add Home Network to your account, click on **Extras** at the top of the screen and click **Register**.
- Complete all fields and click **Register**.
- If a payment is required, enter your payment and billing details. Click **Pay Now** to accept terms and conditions. If the payment is successful, a confirmation screen is displayed.

Step 4: Connect to your secure network

- If registration has been successful, a confirmation screen will be displayed. You will then be redirected to **My Devices**, where you can add all of your other devices to your account.
- Once you have added your devices to your account, **forget the Glide Wi-Fi network** and **connect** all your devices to the **Glide_HN network** to access your private Home Network.
- Once connected, you can get online.

HINT: To add further devices to your Home Network, go to **http://my.glidestudent.co.uk** and login to your account.
